[Implemented a ‘Recommended Label’ for Mental Muscles](#)

[Updated the Starting Point Questionnaire](#)

[User Check-in Relative to their Time Zone](#)

[Corrected ‘Let’s Get Started’ Prompt from Completed Activities](#)

### Detail

#### CHECK-IN GLITCH RESOLVED

- A check-in glitch was previously brought to the AIR Space teams attention and has been resolved.

Resilient organizations thrive through stressful times.

#### NEW 'LET'S GET STARTED' BUTTON TO NEW SKILL INTERFACE

- For exercises that users have not started the skill will now show a 'Let's Get Started' button.

#### FORMATTING ISSUE RESOLVED ON SKILL DESCRIPTION TEXT

- Skill description text was previously missing spaces between words.

#### TYPOS CORRECTED IN BOUNDARIES CONTENT

- Typos have been corrected throughout the boundaries content.

#### WELCOME EMAIL UPDATED

- AIR Space's welcome email content has been updated to reflect recent updates and language throughout AIR Space.

#### IMPLEMENTED A "RECOMMENDED LABEL" FOR MENTAL MUSCLES

- After users answer the onboarding question 'What brings you to AIR Space?', AIR Space will recommend a mental muscle group for users to begin their resilience-building journey, with a recommended label.

#### UPDATED THE STARTING POINT QUESTIONNAIRE

- AIR Space users will now be able to go back and make changes to their answers. There is a screen at the end that informs users of their last chance to submit.

Resilient organizations thrive through stressful times.

#### USER CHECK-IN RELATIVE TO THEIR TIME ZONE

- Users are now able to complete their daily check-ins relative to the time zones they use AIR Space in.

#### CORRECTED 'LET'S GET STARTED' PROMPT FROM COMPLETED ACTIVITIES

- The 'Let's Get Started' button prompt will no longer be visible to users who have completed all of the activities in a specific mental muscle.
