

# AIR Space

## 1.13 Release Notes

February 21<sup>st</sup>, 2023

Resilient organizations thrive through stressful times.

## 1.13– AIR Space Release Notes

### Overview

#### [Implemented ‘Resend’ Invitation Function](#)

#### [General Update to the Collaboration Module](#)

#### [Login Error Fixed](#)

### Detail

#### IMPLEMENTED ‘RESEND’ INVITATION FUNCTION

- A button has now been enabled that will allow the AIR Space team to ‘resend’ invitations to users. This will improve support response time.

#### GENERAL UPDATE TO THE COLLABORATION MODULE

- General updates have been implemented into the Collaboration module.

#### LOGIN ERROR FIXED

- A bug that prevented login due to a “download error” on IOS 16.1.1 has been fixed.
