## 1.15– AIR Space Release Notes

### Overview

#### [Updated Data Collection](#)

#### [Content Changes](#)

#### [Decisiveness Video Replaced](#)

### Detail

#### UPDATED DATA COLLECTION

- To limit the sensitive data we are collecting, AIR Space will now only record the year and month of new users' birthday during the onboarding process. The specific day will no longer be collected.

#### CONTENT CHANGES

- Minor content changes and updates have been made to various modules in AIR Space.

#### DECISIVENESS VIDEO REPLACED

- A video has been replaced in skill 1 of decisiveness.

Resilient organizations thrive through stressful times.
